

FOR THOSE WHO
DARE

Here is your home.

IT Decommissioning Intern / Working Student (m/f/d)

Job Purpose/Role

Our Mission at Allianz Technology is Leading IT with you!

Leading IT means shaping the IT agenda of Allianz, providing leading IT solutions to Allianz and showing the confidence to lead... with you.

Be the IT provider of the Allianz Group to run, optimize, transform and innovate infrastructure, applications and services together with organizational entities to co-create the best customer experience.

Allianz Consulting was established in 2004 as the internal consulting division of the Allianz Group. Our vision is to be the Consulting partner of choice for Allianz Group core segments. Our experienced consulting teams support all Allianz operating entities worldwide in planning and implementing their local key strategic projects. Our consulting services focus on our clients' needs ranging from strategy, market management, sales and distribution, IT, organization, claims and operations to central functions. We bring deep, industrial and functional expertise to fulfill our client's requirements and support the overall vision of the Allianz Group.

Joining Allianz Consulting means working in a fully international environment alongside other talented people who enjoy sharing their knowledge and experiences, having increased personal responsibilities and working under a flat management hierarchy. Allianz Consulting has a reputation for focussing on growing its talent and on-the-job training from the very first day to ensure strong career development and preparation for future opportunities within the Allianz Group.

Allianz Consulting's structure focuses on competencies and delivery. Therefore, Allianz Consulting is set-up in Practice Areas, that work project and expertise focused:

- 1) Distribution & Life Consulting
- 2) Health & Market Management Consulting
- 3) IT & Transformation Consulting
- 4) Emerging Technologies Consulting
- 5) Central Functions Consulting
- 6) Operations Consulting and
- 7) Agile Coaching & Consulting

The position of IT Decommissioning Intern / Working Student will be located in the IT & Transformation Consulting.

Key Responsibilities

- Actively support the growth of the decommissioning services (project management aiming to clean-up the IT landscape) to our internal customers with sales, offering content and delivery
- Participate in the design of a simple, harmonized and efficient IT landscape to be prepared for the digitalization of one of the largest financial-services institutions
- Become an integral part of a decommissioning project and join a team of engineers, architects, data experts and senior stakeholders

Key Requirements/Skills/Experience

- Self-starter with a hands-on mentality, able to learn quickly in a fast-paced environment
- Outgoing, strong communication skills and high customer orientation
- Organizational talent
- Proficiency in Business German and English (spoken and written)
- Experience with MS Office products
- IT affinity
- You can start immediately and are interested in an internship for 4 to 6 months in full-time (38h/week) or - as a working student - part time (16-20 h/week)

Additional Information

What do we offer you?

- An attractive monthly salary of 1.650 € for internships (also for mandatory internships). For working students 1.700 € (Bachelor students) or 1.900 € (Master students) on a full-time basis
- Flexible working hours
- Free LinkedIn Learning Account and many other opportunities to develop new skills
- A big student community with many options for networking
- A highly talented, dynamic and international team
- Job opportunities in a global company

Need to know

- Requirement for internship and working student positions is the enrollment in a university – or (for an internship) a gap year.
- We can only consider your application if you provide the following documents:
 - Certificate of enrollment (exception gap year)
 - Valid Work and residence permit (for non-EU citizens). Please check before applying if you can work with your current VISA.
- Allianz Technology is an equal opportunity employer encouraging diversity in the working environment. We are interested in your strengths and experience. Everybody is welcome, no matter gender, age, ancestry, national origin, race or ethnicity, religion, disability or sexual orientation.

Interested? Then dare to write your own story and start your career at Allianz Technology!
Please submit your application (including CV, cover letter and certificates/reference letters) to our e-Recruiting portal: <https://www.allianz.com/en/careers>

Allianz is the home for those who dare – a supportive place where you can take the initiative to grow and to actively strengthen our global leadership position. By truly caring about people – both its 100 million private and corporate customers and more than 147,000 employees – Allianz fosters a culture where its employees are empowered to

collaborate, perform, embrace trends and challenge the industry. Our main ambition is to be our customers' trusted partner, instilling them with the confidence to grow. If you dare, join us at Allianz Group.

We at Allianz believe in a diverse and inclusive workforce and are proud to be an equal opportunity employer. We encourage you to bring your whole self to work, no matter where you are from, what you look like, who you love or what you believe in.

At the core of the Group's strength lies digitalization and its promise of growth opportunities through a 'digital by default' strategy. Allianz Technology SE is the principal driver behind transforming Allianz into a digital group – a quest to which nearly 7,500 Allianz Technology SE employees around the globe have committed themselves. Allianz Technology SE equips the Group with the most cutting edge digital solutions in the industry, bringing Allianz to the fingertips of its customers. At Allianz Technology SE, innovation is more than a buzzword; it is the business of the day, every day.

We are interested in your strengths and experience. This means that we welcome all applications, irrespective of other characteristics such as gender, ethnic background, origin or any disability.
