DARE

Here is your home.

Working student for Allianz Consulting Recruiting team (m/f/d)

Job Purpose/Role

Our Mission at Allianz Technology is Leading IT with you!

Leading IT means shaping the IT agenda of Allianz, providing leading IT solutions to Allianz and showing the confidence to lead... with you.

Be the IT provider of the Allianz Group to run, optimize, transform and innovate infrastructure, applications and services together with organizational entities to co-create the best customer experience.

Allianz Consulting was established in 2004 as the internal consulting division of the Allianz Group. Our vision is to be the Consulting partner of choice for Allianz Group core segments. Our experienced consulting teams support all Allianz operating entities worldwide in planning and implementing their local key strategic projects.

Our consulting services focus on our clients' needs ranging from strategy, market management, sales and distribution, IT, organization, claims and operations to central functions. We bring deep, industrial and functional expertise to fulfill our client's requirements and support the overall vision of the Allianz Group.

Key Responsibilities

- Maintaining and updating recruiting pipeline for the IT& Transformation Practice Area of Allianz Consulting
- Facilitating exchange on Recruiting topics with the IT& Transformation Practice Area of Allianz Consulting and the Central Allianz Consulting recruiting team
- Coordinating interviews between candidates and Allianz Consulting managers
- Managing interview feedbacks from Allianz Consulting manager interviews and organizing further steps in the recruiting process
- Support preparing monthly Recruiting analysis for the Allianz Consulting management
- Managing distribution lists for IT& Transformation Practice Area of Allianz Consulting

- Interest in recruiting topics
- Proven reliability from other engagements
- Good communication skills
- Analytical Thinking
- Good/very good English knowledge
- Good Microsoft Office knowledge

- You can start immediately and are interested in a working student position for 6 months- part time (16-20 h/week)

Additional Information

What do we offer you?

- An attractive monthly salary of 1.700 € (Bachelor students) or 1.900 € (Master students) for working students on a full-time basis
- A modern and open space office located in Munich / remote work capabilities during Covid
- Flexible working hours
- A student discount in our outstanding canteen
- Free LinkedIn Learning Account and many other opportunities to develop new skills
- A big student community with many options for networking
- A highly talented, dynamic and international team
- Job opportunities in a global company

Need to know

- Requirement for internship and working student positions is the enrollment in a university – or (for an internship) a gap year.
- We can only consider your application if you provide the following documents:
 - Certificate of enrollment (exception gap year)
 - Valid Work and residence permit (for non-EU citizens). Please check before applying if you can work with your current VISA.
- Allianz Technology is an equal opportunity employer encouraging diversity in the working environment. We are interested in your strengths and experience. Everybody is welcome, no matter gender, age, ancestry, national origin, race or ethnicity, religion, disability or sexual orientation.

Interested? Then dare to write your own story and start your career at Allianz Technology!
Please submit your application (including CV, cover letter and certificates/reference letters) to our e-Recruiting portal: <https://www.allianz.com/en/careers>

Allianz is the home for those who dare – a supportive place where you can take the initiative to grow and to actively strengthen our global leadership position. By truly caring about people – both its 100 million private and corporate customers and more than 147,000 employees – Allianz fosters a culture where its employees are empowered to collaborate, perform, embrace trends and challenge the industry. Our main ambition is to be our customers' trusted partner, instilling them with the confidence to grow. If you dare, join us at Allianz Group.

We at Allianz believe in a diverse and inclusive workforce and are proud to be an equal opportunity employer. We encourage you to bring your whole self to work, no matter where you are from, what you look like, who you love or what you believe in.

At the core of the Group's strength lies digitalization and its promise of growth opportunities through a 'digital by default' strategy. Allianz Technology SE is the principal driver behind transforming Allianz into a digital group – a quest to which nearly 7,500 Allianz Technology SE employees around the globe have committed themselves. Allianz Technology SE equips the Group with the most cutting edge digital solutions in the industry, bringing Allianz to the fingertips of its customers. At Allianz Technology SE, innovation is more than a buzzword; it is the business of the day, every day.

We are interested in your strengths and experience. This means that we welcome all applications, irrespective of other characteristics such as gender, ethnic background, origin or any disability.
