

FOR THOSE WHO
DARE

Here is your home.

Full Stack AI Developer (f/m/d) @ Insurance Automation Tribe

Job Purpose/Role

FOR THOSE WHO DARE TO EMBRACE TRENDS, CHALLENGE THE INDUSTRY AND TRANSFORM ALLIANZ INTO A DIGITAL GROUP.

Here is your home. Allianz Technology

Allianz Technology in Vienna is looking for a

Full Stack AI Developer (f/m/d) @ Insurance Automation Tribe

Allianz is in a dynamic transformation of products, processes and IT systems to enforce its market leader position in the insurance business throughout the fundamental business changes of the digital age. Rapid innovation cycles, top digital service offerings, standardizing transactional platforms and highly automated processes are some of the challenges for specifically IT and the company as a whole.

The Full Stack AI Developer (f/m/d) in the Insurance Automation tribe is a key enabler to design and implement state of the art, AI and cloud based solutions that will run our fully digital business in the future. As a service provider for Allianz we can tap into a huge amount of data and apply our solutions on global scale.

Key Responsibilities

- Develop, test, deploy and run solutions leveraging AI to automate insurance processes
- Write high quality, maintainable code
- Create automated tests for our apps

Key Requirements/Skills/Experience

- Passionate about making the life of our customers easier
 - Creativity and endurance to create innovations and turn them into productive solutions
 - You love to write high quality clean code
 - More than 5 years of experience developing Java applications
 - Positive add on, if you have worked with GIT, Jira, Jenkins, Confluence and deployed to environments like OpenShift or AWS
 - Positive add on, you have created and trained AI models and put them in production
-

Additional Information

Start date: by arrangement | Usual place of work: Vienna | Regular working hours: 38.5

Gross salary: between EUR 55.000.- and 75.000.- p.a. (can be more depending on the specific qualifications, experience and skills)

Our Benefits

Company medical support | Pension fund contribution | Subsidized sports activities | Subsidy for home office equipment | 5-15 days of training each year | On-boarding support for your move to Vienna | One of the most stable employers on the world even in crisis like banking or corona | Free access to online learning platforms (e.g. LinkedIn Learning) | Flexible working hours and home office | Small agile co-located team in Vienna
