Commercial Manager Hardware Services (m/f/d) - Part Time

Job Purpose/Role
The Workplace Services Division is responsible for workplace services within Allianz Technology, such as: Allianz Virtual Client, End Device Services (Notebooks, Thin Clients), File Service, Print Service, Global Mailing, SharePoint and Service Desk.
For our Commercial & Budget Management team we're looking for an expert in the area of commercial service management for the Hardware Management Service Line. The Commercial Manager will be end-to-end responsible for all commercial and financial matters regarding all hardware services. The area of responsibility includes the overall P&L controlling of the services, ordering and management of suppliers and ensuring correct invoicing to our customers. The goal is to provide a cost covering but also cost competitive hardware service for the Allianz Group.

Key Responsibilities
- Monitor actuals vs. plan, analyses deviations and their drivers, recommend measures to ensure plan achievement and tracks ongoing progress of e.g. major project initiatives
- Create and provide financial analyses, reports and dashboards for various stakeholders (ad-hoc, monthly, quarterly, yearly base)
- Develop recommendations for financial targets within the strategic and operational planning and forecasting process (long-, mid- and short term perspective)
- Manage pricing processes, approve prices and supports calculation, and coordinate transfer pricing compliance
- Evaluate, develop, coordinate and support the preparation of financial accounts, e.g. services, materials and cost centers

Key Requirements/Skills/Experience
- Higher education degree in finance, business administration, economics or related area
- Possessing understanding of (IT) service management and (IT) service organizations
- Experienced in the application of systems that are relevant for Controlling, e.g. SAP FI-CO/BW
- Applying analytical thinking, methodological and conceptual as well as moderation and presentation techniques
- Relevant work experience e.g. in accounting, controlling etc.
- Ability to carry out tasks independently in non-standardized (ever-changing) work situations
- Problem solving skills based on practice and precedent as well as ability to analyze factual information
